

Early Childhood Practicum Placement Grant 2024

If you completed your final practicum placement in an outer regional, remote or very remote located service on this list, you may be eligible for an additional grant of up to \$5,000 depending on the remoteness and duration of your practicum. Please include the details of the service where you completed your final practicum placement in your grant application and the Department of Education will assess your eligibility.

Queensland education and care services, delivering an approved kindergarten program, located in outer regional, remote or very remote locations (as at 22 November 2024). Note this list is subject to change.
