Engage

Step 1. If you have this book at home, encourage your child/children to predict what the story is about from the cover. If not use the suggested video link in the Resources box and watch the story together.

Step 2. Read/watch the story drawing your child/children's attention to the details in the illustrations.

Step 3. Here are some questions to ask your child/children about the story.

1. What sort of tacos do dragons like to eat? (gigantic tacos, tiny baby tacos, all tacos)
2. What foods do dragons like in their tacos? (lettuce, tomatoes, cheese, chicken, beef)
3. Tell me what happens if dragons eat spicy tacos. (they get a tummy ache)
4. If you were a dragon, what would your favourite food be?

Respond

Discuss the food that the dragons love most and the ingredients that go into it. Make a simple taco mix for dinner using the 'Tacos' recipe.

Extend

- Encourage your child/children to share what they know about parties, for example: sending invitations, selecting music and games to play, making party hats and party foods. You might encourage your child/children to hold a party for their toys and make some party foods with play dough.
- Invite your child/children to design and make a party hat.
- Play party games, for example: 'Pin the tail on the dragon' using a large dragon drawing and paper tails.
