

Queensland Kindergarten Funding Scheme

Claim adjustments

from 2022

Claiming for 2022 under the Queensland Kindergarten Funding Scheme (QKFS)

From 1 January 2023, the new [Queensland Kindergarten Funding](#) program was implemented.

Services will no longer be able to submit new claims for previous quarters under the QKFS.

QKFS claim adjustments from 2022

If a service has identified an error in a claim submitted under the QKFS, they will be able to request the department to process a claim adjustment. Claim adjustments must be submitted by the end of the following quarter/term.

Requesting an adjustment for a previous QKFS claim

For long day care services, claim adjustments need to be made in writing to QKFS.LDC@ged.qld.gov.au.

Services will be required to print the claim summary report from QGrants and identify the necessary changes for the claim.

Claim adjustments will be processed within 10 business days of being received in the QKFS LDC mailbox.

For sessional kindergartens, claim adjustments will need to be requested through their central governing body.
